

Report on Annual Day

AMS School of Informatics celebrated its 15th annual day on 30th July, 2022. Ms G.C Kavitha , Positive psychologist also famous as Happy Woman was the Chief Guest. Dr G.L.K Durga Vice-President, DDMA was the Guest of Honor.

Director Prof K.Vijayalakshmi presented the annual report for the year 2021-22. Addressing the Students Dr . G.C .Kavitha spoke about how one attaches happiness with the outcome or result of an action. To feel happy all the time one should stop connecting with outcome and remove the negatively wired mindset and contribute to society, Dr Durga said that now organizations require more women managers because of their patience, dedication and Intellectual capacity. Secretary Sri Y.Satyanarayana Rao addressing the students said that students should have commonsense to apply their knowledge in practical life. As a part of celebrations the Chief guest and Vice-president gave away awards and prizes for their excellence in academics and sports.
