

(Topic – Deciphering letters to Berkshire Hathaway Shareholders)

Objective: To provide students an ideal opportunity to supplement their theoretical knowledge with real world exposure. This gives an opportunity to widen their knowledge base, learn new things, explore new areas of interest and connect with professionals who could later be their guiding light.

On 12th July 2023, we organised a guest lecture by Dr. Kishore Nuthalapati, CFO, BEKEM Infra Projects Pvt Ltd, and Member of The Economic Times ET CFO Ledger. The topic of the lecture is ‘Deciphering letters to Berkshire Hathaway Shareholders’. He explained about history of Berkshire Hathaway Company, Investments of the company and Mr Warren Buffet’s Investment strategies followed by the company. He in detail elucidated the significant statements of Mr Warren buffet among his letters to shareholders from the year 1965 to 2023. He also highlighted how this knowledge can be utilized by students to understand investment decision making and selecting appropriate Investment strategies.

Outcome: Resource person during guest lecture enlightened the students by decoding the insights in the letters from the Founder of the company to their shareholders. This helps students to develop multiple skills like critical thinking, reasoning, decision making etc.
