Industrial Visit to NRB Bearings

An Industrial Visit to “NRB Bearings Limited” located at A-5, Uppal Industrial Estate, Hyderabad was organised on 28th November 2023 for MBA II year students. About 40 students have visited the industry.

NRB Bearings is purely a manufacturing industry which manufactures bearings used in gear boxes of two wheelers and four wheelers. It exports the products for various Asian and European countries. It has various branches in Mumbai, New Delhi, Bangalore, Kolkata and Pune.

The visit was fruitful as the students gained practical knowledge about functioning of the manufacturing industry and its process flow. Students were taken to various departments like tooling, inspection, supply chain, packaging etc..

The entire process from planning to packaging was explained by Ms. Saketha, HR manager, NRB Bearings.

15th November 2023

National Recycling Day

Inter-unit Competition was organized on “Best out of waste” as a part of “National Recycling Day” on 15th November 2023. 60 students from various sister concern units of AMS have showcased their creativity and innovative skills by explaining about their recycled product. I, II and consolation prizes were distributed for junior level and senior level students.

26th November 2023

National Constitution Day

Indian Constitution Day was celebrated as a part of AICTE mandate to spread awareness and importance of the Constitution Day.

Elocution Competition was conducted for MBA I year students on the topic “Indian Constitution”.

20 students have actively participated and have taken the pledge on the PREAMBLE
