MBA AT A GLANCE

The MBA program at AMS School of Informatics (AMSSOI), Hyderabad is a two-year full-time course designed to shape confident, capable, and industry-ready women professionals. With a strong academic foundation and practical exposure, students are prepared to adapt and excel in dynamic business environments.

Students specialize in Finance, Human Resources, Marketing, and Systems & Business Analytics, gaining both domain knowledge and real-world insights through internships, live projects, and industry interactions.

The program focuses on building not just technical expertise, but also essential skills like communication, teamwork, problem-solving, and leadership ensuring holistic development.

The current batch (2024–2026) brings together a diverse group of students from varied academic backgrounds, fostering collaboration, fresh perspectives, and strong peer learning.

With continuous training, industry exposure, and a commitment to professionalism, AMSSOI students are well-equipped to contribute meaningfully from day one.

About Dr. Durgabai Deshmukh

Padma Vibhushan Dr. Durgabai Deshmukh, mother of social service, toiled all through her life with a single-minded devotion to empower women by providing them access to education. To fulfill her dream, she founded **AMS** in **1939**. Over the last 80 years AMS (presently renamed as DDMS) under its umbrella is striving to empower women through its over **27** institutions in the states of Tamil Nadu, Telangana and Andhra Pradesh in the fields of education, health care, differently abled and senior citizens.

*"To accomplish great things, we must not only act, but also dream;
not only plan, but also believe."*

Vision

To make AMSSOI a premier center of education – both professional and general – for women to acquire knowledge, skills, attitudes required to lead life as complete citizens and pursue careers of their choice.

Mission

To impart high quality knowledge and practical skills to women graduates in Information Technology and Business Management including research and development. To be among the top five institutions in the state for educational and social achievements by 2030.

Quality policy

About AMSSOI

AMS SCHOOL OF INFORMATICS (AMSSOI) is committed and dedicated to the empowerment of women through imparting quality education in post graduate courses in Business Administration to the students and equip them with the latest knowledge and skills to adapt themselves to the rapidly changing business world, through technically competent faculty, state-of- art infrastructure and strong tie up with the Industry. AMSSOI aims at improving continually, evolving itself into one of the best institutes for women in post graduate education.

The **AMS School of Informatics** (AMSSOI as it is popularly known) is a unit of AMS offering Post Graduate programs for girls leading to MBA degree under the of Osmania University. AMSSOI was established in **1998** with **BCA** and **MCA**. **MBA** courses introduced in **2008** with a strength of 120 approved by **AICTE**.

The well-equipped lab with 65 systems dual-core processor 1 GB RAM, 80 GB Hard Disk, 15 inches led screen, spacious 6 lecture halls with Digital Boards, well-established library with 3157 volumes 1240 titles, 16 national and international journals. The institution is committed to excellence in management education, supported by a team of experienced and research-oriented faculty, modern infrastructure, and strong industry linkages that enhance practical learning.

Over the years AMSSOI management and faculty have been engaged in an honest endeavor to improve the quality of inputs and further enhance the position in the league of schools of management. As a result, our students have secured university ranks and have excelled themselves in many extra-curricular activities. For the past eleven years, AMSSOI has been providing students from varied backgrounds an ideal platform to build on their existing knowledge and skills, thereby molding them into real management professionals.

Message Principal AMSSOI

Dear Industry Leaders,

It gives me immense pleasure to welcome you to AMS School of Informatics (AMSSOI) through this placement brochure.

Since the inception of our MBA program in 2008, we have been committed to nurturing and empowering aspiring women leaders. Over the years, our graduates have successfully established themselves across diverse roles in leading organizations. At AMSSOI, we focus on holistic education that goes beyond academics, integrating knowledge with skills, values, and industry exposure. Our students are equipped to think critically, act confidently, and lead responsibly in today's dynamic business environment.

We invite you to explore our talented students and partner with us for recruitment and collaboration. We look forward to building a strong and meaningful association.

With warm regards,

Dr. VENU PRIYA

Incharge Principal

AMS School of Informatics, Hyderabad

Message Placement & Training Officer AMSSOI

It gives me great pleasure to present the Placement Brochure of AMS School of Informatics (AMSSOI) for the MBA Batch 2024–2026.

At AMSSOI, we focus on nurturing well-rounded professionals with strong academic knowledge, confidence, and essential corporate skills. Our students gain practical exposure through internships, industry projects, workshops, and skill development programs, enhancing their communication, analytical, and decision-making abilities.

The Placement Cell plays a key role in connecting students with industry by fostering strong relationships with organizations and creating meaningful opportunities.

The MBA Batch 2024–2026 comprises talented and dedicated women professionals specializing in Finance, Marketing, Human Resources, and Systems with Business Analytics.

We warmly invite organizations to collaborate with us and explore our students' potential. We look forward to building strong partnerships and contributing to organizational success.

Regards,

J. SWATHI

Training & Placement Officer

Why recruit from AMSSOI ?

Recruiting from AMSSOI provides access to talented, motivated, and career-oriented management graduates who are well-prepared to adapt quickly and contribute to organizational growth.

STRONG ACADEMIC FOUNDATION

The MBA curriculum under Osmania University equips students with solid knowledge in Finance, Marketing, Human Resources, and Business Analytics, ensuring both conceptual clarity and practical understanding.

INDUSTRY-ORIENTED LEARNING

Students gain hands-on exposure through case studies, live projects, internships, and research assignments, enabling them to effectively handle real-world business challenges.

SKILL DEVELOPMENT AND EMPLOYABILITY TRAINING

Continuous training in communication, analytical thinking, problem-solving, teamwork, and leadership ensures that students are industry-ready and professionally confident.

INDUSTRY INTERACTION

Regular guest lectures, seminars, and leadership talks connect students with industry experts, helping them understand current trends and expectations.

HOLISTIC DEVELOPMENT

Participation in management events, competitions, and collaborative activities enhances creativity, teamwork, and decision-making abilities.

COMMITMENT TO WOMEN EMPOWERMENT

As part of Andhra Mahila Sabha institutions, AMSSOI is committed to empowering women by nurturing confident, ethical, and responsible professional

MBA Programmes Offered

AMS School of Informatics offers a well-structured MBA programme affiliated with Osmania University, designed to develop competent and industry-ready management professionals. The programme provides a strong foundation in core business disciplines while allowing students to specialize in their area of interest.

The MBA programme at AMSSOI offers the following specializations:

FINANCE

Focuses on financial management, investment analysis, banking, and corporate finance, preparing students for roles in financial services and corporate sectors.

MARKETING

Emphasizes consumer behavior, digital marketing, sales management, and brand strategy, equipping students for dynamic roles in sales and marketing domains.

HUMAN RESOURCES

Covers talent management, organizational behavior, recruitment, training, and employee relations, preparing students for people-centric roles in organizations.

SYSTEMS WITH BUSINESS ANALYTICS

Integrates information systems with data analytics, enabling students to analyze business data, support decision-making, and work in technology-driven environments.

The programme combines academic learning with practical exposure through projects, internships, and industry interactions, ensuring that students are well-prepared to meet the demands of the corporate world.

Learning Outside Classroom

AMSSOI strongly believes that meaningful learning extends beyond the classroom. The institution provides various platforms for students to gain practical exposure and develop professional competencies.

Students actively participate in:

- * Leadership Talk Series
- * Industry Guest Lectures
- * Skill Development Workshops
- * Management Events and Competitions
- * Internship Programs
- * Research Projects and Case Study Presentations

These experiences help students connect theoretical knowledge with real-world business practices and prepare them for professional careers.

Leadership Talk Series

The Leadership Talk Series is an important initiative at AMSSOI that connects students with experienced industry leaders and professionals.

Through these sessions, students gain insights into:

- * Leadership and management practices
- * Industry trends and challenges
- * Career development strategies
- * Organisational culture and expectations

These interactions inspire students and help them develop a broader understanding of the corporate world.

Integrated Projects

Internships and industry-based projects form an integral part of the MBA program at AMSSOI. Students are encouraged to undertake internships with reputed organizations to gain hands-on experience and exposure to real corporate environments.

Through internships and project work, students learn to:

- * Analyze business problems
- * Conduct market and financial analysis
- * Collect and interpret data
- * Propose practical business solutions

This practical exposure significantly enhances students' employability and prepares them for professional roles in organizations.
